# PRO Cat6a Unshielded flip jack keystone

This Unshielded Cat6a Keystone Jack for patch panels and other data installations allows for multiple cable entry directions to be accommodated when this jack is mounted in a standard depth back box. This permits many mounting options including flush shutters at the outlet as well as more common angled shutter used with keystone jacks.

- Component Compliant
- Easy to install without need for special tools
- Flame-Retardant Plastic, UL 94V-0
- POE type IV 90 watt (POE++)
