MPN: LVO231789

Cleaning Tissue

Cleaning of fiberoptic cables before terminating Non abrasive lint free wipes are used to clean fibre and connectors prior to installation.

- 100% virgin wood pulp, high water absorption
- Anti-static film
- Pure, high liquid absorption rate
- Good heat resistance
- the paper is delicate and will not scratch the surface of the swab

Specifications

Features	**Product type**	Fibre Cleaning
Legal Information	**Country of Origin**	China
	EU ECCN Code	N/A
	Tariff No.	8544700099
	UNSPSC Code	44102906
	US ECCN Code	N/A
Package dimensions	**Depth (package,cm)**	16 cm
	Gross Weight (Package, kg)	0.17 kg
	Height (package,cm)	9 cm
	Width (package,cm)	8 cm
Product dimensions	**Net Weight (Product, kg)**	0.169 kg
	Product Depth	15.9 cm
	Product Height	8.9 cm
	Product Width	7.9 cm
Vendor information	**Brand Name**	Lanview
	Warranty	5 Year(s)
