

Symmetry^{Series}+

with Antimicrobial Technology for iPhone 13

Enhanced Protection/

Get the most out of your new Apple iPhone 12 with Symmetry Series+ for MagSafe. This slim case shows off your iPhone's sleek design and was thoughtfully developed to interact with Apple's new innovative MagSafe system — bringing a new level of interactivity to your iPhone. All of your phone's buttons, features and functions work flawlessly, while durable protection shields against drops, bumps and fumbles. Additionally, a silver-based antimicrobial additive is integrated into the case that helps inhibit microbial growth and defends the case exterior against many common bacteria. And the one-piece design is easy to install. Go about your life with confidence your phone is protected, without sacrificing an ounce of style.
