

BUSINESS DEVICES THAT ARE A CLASS APART

The entry-level ThinkPad, E Series features the famous keyboard and trackpoint, and is MIL-SPEC tested ensuring the build quality for which ThinkPad is renowned.

ThinkPad E15 Gen 2 (AMD)

Smarter
technology
for all

Lenovo

This entry-level ThinkPad comes with powerful AMD Ryzen™ 4000 Series Mobile processors ultra-responsive SSD storage and exciting new features that enhance the user experience. The fingerprint reader is integrated with the power button enabling users to power on/wake up the device and login in at the same time. With the new short-cut keys, busy professionals can answer/end VoIP calls, access key settings and view system notifications with the press of a button.

REASONS TO BUY

Glance by Mirametrix uses the optional IR camera to detect user presence – locking the device when the user is away and unlocking it automatically when back. In a multi-monitor set-up, it also allows users to effortlessly move the cursor or app window to the screen currently being used.

The optional 15.6" FHD anti-glare display comes with an ultra-narrow border to maximize screen space and (IPS) wide-viewing angle, allowing users to view spreadsheets, budget plans and graphic-rich designs in fine detail.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

ThinkPad E15 Gen 2 (AMD)

KEY SPECIFICATIONS

Processor	up to AMD Ryzen™ 4000 Series Mobile processors
Operating System	Powered by Windows 10 Pro
