

EcoTank L3160

DATASHEET / BROCHURE

Meet Epson's next-generation, cartridge-free printer. This 3-in-1 with an LCD screen is easy-to-use, compact, and has Wi-Fi and Wi-Fi Direct.

This compact 3-in-1 EcoTank with an LCD screen and Wi-Fi Direct delivers on all fronts thanks to a sleek and compact design, mobile printing and efficient technology. This reliable cartridge-free printer features an enhanced ink filling system and easy to use ink bottles. Thanks to the included three years' worth of ink¹, you'll be able to save up to 90% on the cost of ink².

Ultra-low cost

Three whole years¹ – that's how long you could go without buying more ink for the L3160. This means it can save you up to 90% on the cost of ink². Giving you an extremely low cost per page, it produces up to 8,100 pages in black and 6,500 in colour with the included ink³.

Cartridge-free printing

With the equivalent of up to 82 cartridges' worth of ink², you can go longer between refills with this EcoTank printer. It uses an ultra-high-capacity ink tank to completely remove the need for cartridges.

Discover the next generation

Thanks to the ink tank being positioned at the front of the printer, this new design is compact, provides easy access for refilling, and a clear view of the ink levels. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour.

Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, your printer can receive documents to print from smart devices using the Epson iPrint⁴ app.

Quality results

With a Micro Piezo printhead, EcoTank provides a reliable printing solution. A one year warranty is provided as standard, while promotional warranties may offer more. Check the technical specification for the latest offer⁵.

KEY FEATURES

- **Up to three years' worth of ink¹**
Equivalent of up to 82 cartridges' worth of ink included²
- **Ultra-low-cost printing**
Print up to 8,100 pages in black and 6,500 in colour³
- **Next-generation ink filling system**
Enjoy hassle and mess-free refills with the enhanced ink bottles
- **Wi-Fi, Wi-Fi Direct & apps**
Print from mobile devices
- **3-in-1 with LCD screen**
Print, copy & scan and 10x15cm borderless photo printing

INK BOTTLE YIELD DATA

	●	● ● ●
Included	8,100 pages*	6,500 pages*
Replacement	4,500 pages*	7,500 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. 3 years' worth of ink based on average monthly print volumes of 225 pages for EcoTank home and office printers and 40 photos for EcoTank photo printers. Calculations are based on the lowest included black ink bottle page yield for home and office printers and on the lowest included photo page yield for photo printers
2. Average number of cartridges required/savings achieved printing the same number of pages using the ink bottles included within the EcoTank range (except L805, L810, L850, L7160), L7180, excluding hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Central & Eastern Europe, Middle East & Africa, in the period April 2017 – March 2018, as tracked by IDC EMEA Hardcopy Tracker (Data Q1 2018), IDC EMEA HCP Consumables Tracker (Data H2 2017). Printing costs calculated on the proportion of Standard and XL cartridges as tracked by IDC for the same reference period for the Central & Eastern Europe, Middle East & Africa markets. The average selling price was calculated by dividing the revenue by the units. Ink cartridge yields as communicated by the manufacturer's websites.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
4. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
