

HP 430 Multi-Device Wireless Mouse

Everything Just Clicks

Work seamlessly with a versatile and customizable mouse that is responsibly made. Enhance your experience by connecting with up to two devices and moving content across operating systems. Be at your best with programmable buttons, ergonomic design, and battery life that lasts up to 24 months¹. Plus, enjoy the freedom to work on most surfaces with HP Blue Optical sensor.

Connect Across Multiple Devices

Now you can drag and drop anything across devices using one mouse. The cursor will move seamlessly between the screens, even between Windows® and macOS® operating systems. Also enjoy the freedom to connect to up to 2 devices with a USB-A nano-dongle or Bluetooth®.

Totally Customizable

Make everything quick, easy, and just how you like it by customizing² shortcuts using several apps³. Dial in all your preferences with 4 programmable buttons, adjustable wheel speed, and fast cursor tracking up to 4000 dpi.

Sustainably Made

Aside from the comfortable design, this mouse will make you feel good about doing your part for the environment⁴.

2 Years, 1 Battery

Work uninterrupted for years with this amazingly efficient, incredibly long-lasting mouse. A single AA battery lasts up to 24 months with the smart power system¹.
