# HP V241ib FHD Monitor

An everyday monitor that's easy on you.

Browse the web, stream your shows, and get some work done on the HP V241ib FHD Monitor that adjusts to your comfort needs and delivers stunning picture quality in highly affordable style.

1080p

Crisp image clarity for all your content.
Get lifelike color and sharp details for everything you do, from answering e-mails, checking your social feeds, and working on documents to watching the latest shows, on a 60.45 cm (23.8") diagonal Full HD screen with 178 degree viewing angles.

IPS

A clear view from anywhere in the room.
Give everyone a great view of the screen, wherever they sit or stand, on an IPS monitor with 178° viewing angles.

Personalize your comfort settings.
A better viewing experience with HP Low Blue Light, which shifts the color spectrum providing more eye comfort, 3-sided borderless design, and the option to tile multiple monitors[1] together. Plus, adjust your stand with tilt. A seamless dream.

Modern connectivity.
Quickly connect to your devices and additional monitors through HDMI, VGA and DisplayPort connections and get smooth visuals.

HP V241ib FHD Monitor

Featuring

FHD display / 1080p display
Brilliant visuals and unforgettable quality from a stunning FHD display.[2]

Step up to the best
IPS technology brings you clear views from almost any angle. Every seat is the best seat in the house.

Share the panoramic view
Ultra-wide 178-degree viewing angles with consistent detail and vibrant color.

Three-sided micro-edge display
See more of your screen with a three-sided micro-edge display that maximizes your viewing area.

Low blue light
Put less strain on your eyes by softening the blue light from your display.

Easily personalize and adjust your display.
Customize your display with easy, intuitive HP Display Center software that lets you tailor your settings, partition screens, and even dim the screen.

Environmentally conscious
Energy-efficient design and components help reduce power consumption and energy costs.[3]
