

ideacentre AIO 5i

THE CROWNING ALL-IN-ONE FOR THE HOME.

Inspired by the mighty Cypress of the Pacific Northwest, the breathtaking Lenovo IdeaCentre™ AIO 5i looks and feels like a breath of fresh air. Powered by Intel® Core™ i7 processors enhanced with first-class entertainment options such as Dolby Audio™ Premium over Harman®-certified JBL® speakers and an up-to-93% screen-to-body ratio this all-in-one packs everything you need to thrive at home.

WHY YOU SHOULD BUY LENOVO IDEACENTRE AIO 5i

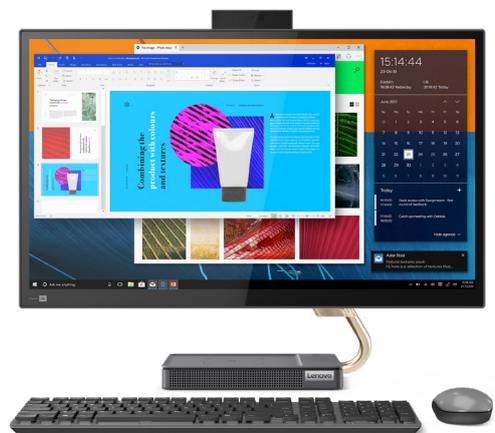

Unfiltered performance

Powered by Intel® Core™ i7 processors and up to 16 GB DDR4 memory, the IdeaCentre AIO 5i is custom-made to easily quickly and manage the most demanding workloads such as livestreams and intensive graphics renders. IdeaCentre AIO 5i now comes with more connectivity options than ever, with USB 3.2 Gen 2 Type-A ports that enable an effective 10 GB per second of data transfer speeds.

More screen, less clutter

Clear away visual distractions and extract more screen real estate with thin and narrow bezels for an up-to-93% screen-to-body ratio on the IdeaCentre AIO 5i's display. With an up-to-Quad-HD display, detail-focused users and professionals will benefit from the ultra-sharp and crisp visuals.

Lenovo

Surround sound, enhanced

Elevate your audio quality for a rich, surround sound experience with Dolby Audio™ Premium over Harman®-certified JBL® speakers. Then pump up the volume for a fuller, more powerful sound, thanks to two 3W tweeters and a 5W woofer.

Integrated Qi wireless phone charging

The IdeaCentre AIO 5i was built to adapt to your lifestyle. That's why the base of its stand features Qi wireless charging—just place your phone on top of the base and wirelessly charge as you go about your day.

PRELOADED SOFTWARE

- Lenovo Vantage
- Microsoft 365³
- Amazon Alexa⁴

¹ Optional.

² The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

³ Not available in China, India, nor Japan.

⁴ US, UK and Germany only.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

* Specification and configuration may vary by different platform and model.

* Example of Lenovo marketing naming convention
