## HP 975 Dual-Mode Wireless Keyboard

## Premium Performance Meets Personalization

Now you can make your keyboard truly yours while enjoying an elevated typing experience. That's because you can connect up to 3 devices either via Bluetooth® or USB-A. We've also included many must-have features like comfortable, quiet, soft return keys, 20+ of which can be programmed with shortcuts, controllable smart backlight, and a long life, rechargeable battery.

\*Product image may differ from actual product

### Connectivity and Versatility

Multiple connectivity options mean more flexibility. Connect up to 3 devices — two via Bluetooth® and one via 2.4 GHz USB-A dongle, and switch between devices using one button. Plus you can easily pair peripherals to a Windows 10 PC in two steps using Microsoft Swift Pair.

## Smart Features. Better Typing Experience.

This keyboard quietly delivers comfortable typing consistency through higher key height, dished finger-shaped keys and soft return technology. Plus customizable smart sensors help adjust backlit keys based on your room lighting condition and turns on the backlight when you approach or off when not in use to save energy.

## Long-Lasting Rechargeable Battery

Frequently battery changes are more than frustrating. They can also drain your productivity and who needs that? Problem solved with a battery that's rechargeable via a simple USB-C connection and lasts up to six months with LEDs turned off<sup>1</sup>.

## Customize for Control

Customize your keyboard with HPAC<sup>2</sup> and reduce needless keystrokes by programming the 20+ keys with shortcuts for your most used apps. Plus you can customize the backlighting feature by turning it on or off, adjusting light intensity, as well as the sleep mode timer.

# HP 975 Dual-Mode Wireless Keyboard

**Responsibly Packaged** 100% recyclable packaging made with paper-based material.

## Data and PC Protection

Feel secure with AES-128 data encryption and a one-button PC lock.

### 1-year limited warranty

1-year limited warranty includes technical support, diagnostic services, and hardware replacement.
