USB-A adapter to efficiently charge your personal care product

Adapter is suitable for Philips products, provided with a USB charging cable

This charger features a USB port for connecting a USB charging cable. This HQ87 USB adapter (IPX4) is suitable for household use, including in a damp or humid environment such as a bathroom. IPX4 means that the adapter is "splash-proof", but please keep the adapter as dry as possible for safe use.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
