

MPN: HDM19F19MC

## HDMI Adapter

The HDM19F19MC Adapter Mini HDMI M - HDMI F provides a reliable and convenient solution for connecting devices with different HDMI port types. This adapter seamlessly converts a Mini HDMI male port to a standard HDMI female port, allowing you to use your existing HDMI cables with devices like cameras, camcorders, and some tablets that feature a Mini HDMI output. Engineered for optimal signal transfer, this adapter maintains high-definition video and audio quality. MicroConnect delivers premium quality connectivity solutions, and this adapter is no exception, offering dependable performance at a fair price. With over 20 years of experience, we ensure this adapter meets European design and quality standards, providing a secure and stable connection.

- Gold-plated connectors
