

REASONS TO BUY

Lenovo Shield gives system administrators new ways to manage data, including the ability to disable specific USB ports, set up HDD passwords, and quickly perform a 100% data wipe on an installed drive - useful when the device is being recycled or transferred to another user.

The Smart Conference feature detects the number of people in front of the computer and optimizes the audio experience; either minimizing background noise or detecting voices from multiple directions.

Optimized to reduce energy costs and minimize noise with Energy Star 8.0, EPEAT™ Silver and Ultra Low Noise certifications.

MAINSTREAM COMPUTING FOR A **VARIETY OF BUSINESS USES**

Stylish, space-saving and packed with productivity features. Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and nonreflective screens.

Lenovo V30a 24IIL

Information presented here may represent the maximum possible configurations for this product, but it does not necessarily reflect what is available in your region. Please ask your rep or check the specifications for specific Part Numbers in your region. © 2020 Lenovo. Products are available while supplies last. Lenovo is not responsible for photographic errors. Lenovo, the Lenovo logo, ThinkPad, ThinkCentre, ThinkBook, ThinkStation and ThinkVision are trademarks or registered trademarks of Lenovo. 3rd party product and service names may be trademarks of others. Depending on factors such as the processing capability of peripheral devices, file attributes, system configuration and operating environments, the actual data transfer rate of USB connectors will vary and is typically slower than published standards.

Recommended for this device

Lenovo Desktop Privacy Filter from 3M

Patented microlouver technology darkens the screen at specific angles to protect against visual hackers

Available in a range of sizes. Includes adhesive strips for easy residue-free removal and multiple on-and-off uses

Reduces glare from bright computer screens and overhead lights

Lenovo Kensington MicroSaver Cable Lock

Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure

Tamper-resistant, disk-style lock provides near-impenetrable theft protection, but still allows users to pivot and rotate devices

Fits a wide range of devices and docking solutions based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable

On-site Service
