## Control Humidity - Helps keep your home conveniently dry, fresh, and quiet

The Hisense DH50K1W Energy Star 50-Pint 2-Speed Dehumidifier quietly collects water into the slide-out internal bucket, or can discharge the water via connecting a garden hose (not included) through the side of the cabinet. Reliable and eco-friendly this dehumidifier can operate at temperatures as low as 38 degrees Fahrenheit. Three operating modes (manual set, continuous and auto dry) and the very low sound level make this a versatile choice. Additional features include a programmable 24-hour on/off timer, adjustable humidistat, and full-tank alert/shutoff.
