## Description

---

The equip® 650610 height adjustable motorized TV/LCD Desk Mount Bracket is a compact but sturdy product that ensures a reliable installation of your TV monitor.

The simple press of a button raises or lowers the stand to the most optimal viewing height. Whether the TV is used for gaming or watching a favorite TV show. No holes or complicated assembly required can be quick to assemble.

In addition, with over voltage and overheating protection, the unit includes an advanced collision avoidance system that stops the unit's movement if it senses any objects in its path.
