HDR10 & HLG (Hybrid Log Gamma)

Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or "HLG". This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

Google Play Store

Google Play is your entertainment unbound. It brings together all of the entertainment you love and helps you explore it in new ways, anytime, anywhere.

Google Play Movies & TV

Buy or rent the newest movies and shows way before they hit DVD — plus all your old favorites, too. Whether you're on Android or iOS, watch them on your TV, phone or tablet — even when you're offline.

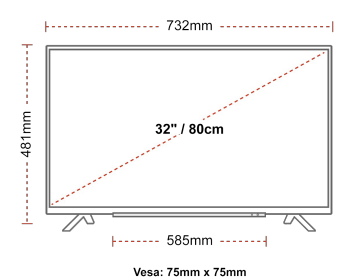

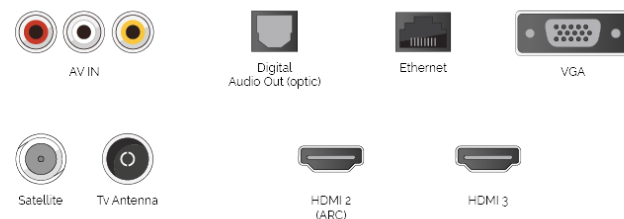

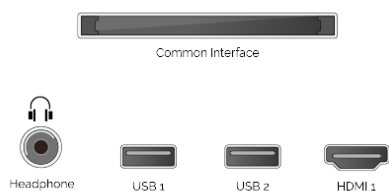

Chromecast built in

Stream the entertainment you love from your phone, tablet or laptop to your TV.
