HP Professional 17.3-inch Backpack

Designed with measurable sustainability features

Now you can feel good about the backpack you use to protect your laptop. Designed to keep your laptop protected and accessories organized, the HP Professional 17.3-inch Backpack uses post-consumer recycled materials[2] that are durable, easy to clean and designed for comfort. Plus, these bags now come with a touch of color to the internal lining and zipper.

Designed with purpose

Carry and protect your laptop in style and feel good about it at the same time. The main material of the HP Professional 17.3-inch Backpack is made from 100% ocean-bound plastics while all tags, strings and stuffing come from 100% recycled biodegradable materials[1]. And now it comes with a touch of color[2].

Safe and Secure

Make it harder for light fingered thieves and electronic pickpockets. An RFID pocket protects your credit cards and data from scanners while double-coil, lockable zippers and slip pockets keep your possessions tucked away and secure. Plus there's a Bluetooth® tracker pocket to house your tracking device[3] that locates your bag.

Grab and Go Organization

Stay organized with this clutter-free carry-all any time you need to move around, whether working from home or on the go. Numerous slip and zip pockets provide a secure home for your devices, peripherals and cables, plus a convenient cable pass-through keeps your phone, power bank or headphones connected while you are on the move.

Sustainability in action

Comfortably Versatile

Here's one comfortable backpack. Wear it as a backpack, or grab the top handle and go. A convenient luggage pass-through fits over most rolling suitcase handles making commuting and traveling easier.

HP Professional 17.3-inch Backpack

Specifications

Product number	500S6AA
Supported platforms	Fits most 17.3-inch diagonal laptops.
