

**PRINTS LIKE MONO LASERS,  
 BUT BRINGS A LOT MORE.**

Office printing demands the finest quality and the monochrome EcoTank M1140, M1170 and M1180 help you take prints in laser-like quality at an amazing speed of 20 ipm. Printing at low costs is key and you can take up to 6,000<sup>1</sup> prints at just 12 paise\* per print. Plus, a 30X less power<sup>4</sup> consumption ensures printing with minimal impact on the environment. Epson's genuine ink bottles ensure easy and mess-free refills. Add connectivity capabilities such as Ethernet and WiFi Direct to the equation, and you have just the printer that your office needs.

M1140/M1170/M1180

- Print Speed
- Duplex Printing
- WiFi Direct<sup>2</sup>
- Epson Connect<sup>2</sup>
- Ultra-high Print Yield<sup>1</sup>
- Warranty of 3 years or 100,000 prints<sup>3</sup>
- Ethernet<sup>2</sup>

Each printer comes bundled with a starter kit of 1 high-capacity bottle of Epson genuine ink.

**Cutting-edge Printhead Technology**

Meet every deadline with swift printing as these printers enable high-quality printing at the speed of 20 ipm.

**Sharp and Durable Prints**

Pigment ink, with Epson's genuine ink bottles, which is formulated specifically for precise and durable prints.

**Better for the Environment**

Low power consumption and less replacement parts compared to laser printers mean less e-waste for a positive impact on the environment.

<sup>1</sup>Limited to 005 high capacity ink bottles. Quoted yields are based on the replacement ink bottles purchased. Part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. <sup>2</sup>Available only with M1170 and M1180. <sup>3</sup>Whichever is earlier. Including printhead. Applicable only for M1100, M1120, M1140, M1170, M1180, M2140, M2170, M3140, M3170 and M3180. <sup>4</sup>For power consumption details, visit [epson.co.in/](http://epson.co.in/) parameters. <sup>5</sup>Source: IDC Asia-Pacific Quarterly Hardcopy Peripherals Tracker FY2020 Q1. Value and Volume Market Share of A4 Inkjet Printers and MFPs. \*Cost per print for M Series is calculated based on quoted yield of 6,000 pages with the 120/140 mL ink bottle.

### Dimensions & Weight

#### M1140/M1170/M1180

Weight: 4.3 kg / 9.5 lbs

<sup>1</sup> Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1  
Black Text  
and graphics

<sup>2</sup> Default mode in accordance with ISO7779 for MFPs.

<sup>3</sup> Quoted yields are based on the ISO 24711/24712 patterns of mixed text and black-and-white graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently. Ink is used for both printing and printhead maintenance.
