Highlights

UHD 2160p (4K)

Supports video resolutions up to 4K or UHD 2160p. This enables your display to rival Digital Cinema systems used in movie theatres.

3D experience

Supports all 3D video formats, allowing true 3D home theater and gaming applications.

Audio Return Channel (ARC)

Allows an HDMI-connected TV with built-in tuner to send digital audio data to a surround audio system, eliminating the need for a separate audio cable.

Flat design

This convenient flat design offers easy hide-away installation. It fits easily against walls and around corners.

Paintable Surface

Cable's outer jacket is paintable using common household paints for easy fit within your home decor.

24 carat gold-plated connector

24 carat gold-plated connectors ensure the best signal quality for your components.

24K gold plating

Prevents corrosion, which helps maintain signal quality over an extended period of time.

High purity copper

This copper conductor provides high accuracy in signal transfer with minimal resistance.

Premium braided shielding

Extra braiding over mylar covered foil shielding provide the best protection against signal loss and interference.
