

# HyperX ChargePlay Duo - Controller Charging Station for Xbox (UK)

**CHARGE. PLAY. REPEAT.**

Charge two controllers simultaneously with the Official Xbox Licensed HyperX ChargePlay™ Duo. Always have a second controller ready for multiplayer or to swap in during marathon gaming sessions. The charging station has a stable, weighted base and is designed for both Xbox Series X|S and Xbox One Wireless Controllers. It includes two 1400mAh rechargeable battery packs and charge-through battery doors for either the Xbox One or Xbox Series X|S Wireless Controllers. Simply dock the controllers to charge without having to remove the battery packs. Conveniently check the charging status at a glance with the individual LED indicators.

## Key features

### Official Xbox™ Licensed Controller Charger

Designed for Xbox and is guaranteed to be compatible with Xbox Series X|S and Xbox One Wireless Controllers.

### Includes two 1400mAh rechargeable battery packs

Two rechargeable battery packs eliminate the cost of replacement batteries. The 1400mAh battery packs have enough charge for hours of gaming.

### LED indicators display charge status

Check charging status at a glance with the separate indicators for each controller.

### Simultaneously charge two controllers

Charges two Xbox Series X|S or Xbox One Wireless Controllers simultaneously and ensure you'll always have a second controller ready to rotate in during marathon gaming sessions or for multiplayer.

### Charge-through battery doors

Includes convenient charge-through doors for Xbox Series X|S and Xbox One Wireless Controllers. Just set your controller to charge without having to remove the batteries.

### Simple, stable docking

The stable, weighted base and is designed to accommodate both Xbox Series X|S, Xbox One Wireless Controllers and Series 1 Elite Wireless Controllers with paddles.
