Datasheet

HP 320 FHD Webcam

Plug it in and you're on.

Hop on the call with instant ease, looking and sounding great. Just plug in this wide-view FHD 1080p[3] all-in-one webcam and let it do the rest, so you can focus on what matters. It also features auto image and light correction, Works With Chromebook Certification[1,2], and a lens cover for privacy.

Plug and display.

Just plug in the USB-A, clip on the webcam, and it will auto-adjust to the light around you, easy. Wherever you go, it'll always adapt to your surroundings to keep you in the picture.

Look like you look.

Immerse yourself in full HD 1080p[3] with an integrated mic. Enjoy a crisp image and clear sound that make you look and sound good, coupled with a 66º wide-angle webcam for a natural conversational feel and room for others to join in. It works instantly and easily with Zoom, Microsoft Teams, and other video chats.

Get into position. See all the angles.

You can easily clip the webcam on your monitor or elsewhere, then easily adjust the position for your picture perfect setup. It also features 360º swivel and tripod support[4] if you want to switch things up. Once you're finished, the included lens cover clips on for worry-free privacy.

Works with Chromebook Certified

The Works With Chromebook badge on a device means it's optimized to work with your Chromebook and other Chrome OS devices[1]. Enjoy a seamless experience across Works With Chromebook certified accessories[2].
