M C240FW

✔ Printer ✔ Copier ✔ Scanner ✔ Fax

Compact and dependable, the M C240FW is the professional choice for homeworkers

Work practices have changes. To empower their employees, businesses have embraced remote working. For many, hybrid working has become the norm. One of the challenges facing employers is to provide homeworking facilities that meet business requirements without impacting upon home life.

The M C240FW from Ricoh is the perfect solution. A professional all-in-one multifunctional device, it offers extensive functionality and is easy to use. Compact, quiet and utterly dependable, it won't intrude upon home life. And, from a business perspective, it is also cost effective and easy to support.

Requiring minimal space, the Ricoh M C240FW will be a welcome addition to the home office. Offering WiFi and mobile connectivity, it is easy to set up and communicate with. And improving business workflows, its extensive functionality includes colour and black-and-white printing, copying, scanning and fax.

Support could not be easier. A WiFi wizard ensures the device is quickly ready for use, and the high yield all-in-one print cartridges reduce the frequency of toner replenishment. Factor in a low price and miserly running costs, and it is easy to see why the Ricoh M C240FW is becoming a business essential.

- Compact and lightweight, the Ricoh M C240FW is a perfect fit for small offices and working spaces.
- The multifunction printer extends professional print, copy, scan and fax functionality to the home.
- Set up is simple, and with its colour touchscreen operation panel, the M C240FW could not be easier to use.
- High yield all-in-one print cartridges reduce costs and are easy to replace.
- With WiFi and mobile printing included as standard, employees can work anywhere and everywhere.

Compact, dependable and easy to use, the Ricoh M C240FW is a scalable and cost-effective business solution for all homeworking requirements.
