8719514405097

Easy smart lighting

Add ambient color to any room with the Philips Hue White and color ambiance E27 starter kit. Connect to the included Hue Bridge to take advantage of endless list of features. Control via the App, voice or the included Smart Buttons.

Limitless possibilities

- Get in the mood with warm to cool white smart lights
- Play with smart color lights
- Away-from-home smart light control
- Sync movies, TV shows, music, and games to smart lights
- Control lights with one click
- Flexible, wireless mounting

Highlights

Get in the mood

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax • no matter what time of day it is. Start your morning off on the right foot with cool, energizing bright white light, or settle down for the night with golden tones.

Play with smart color lights

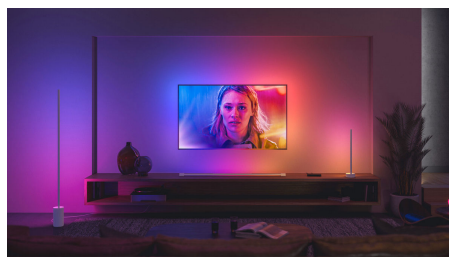

There is no limit with Philips Hue: with over 16 million colors, you can transform your home into the perfect party venue, bring a bedtime story to life, and much more. Use preset, colored light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

Control lights away from home

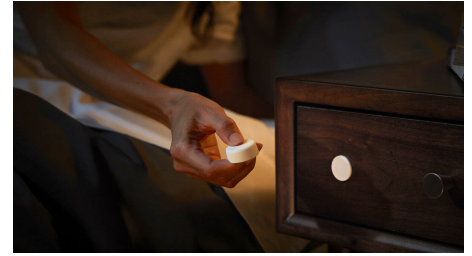

The Hue app gives you complete control over your lights, even if you're not home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Sync movies, TV shows, music, and games to smart lights

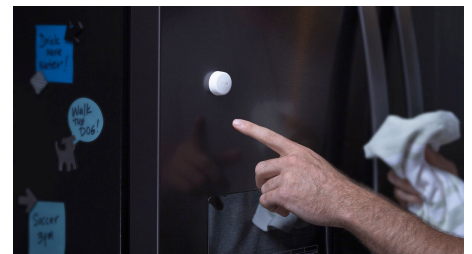

Bring your entertainment to new heights by syncing the action on the screen or the beat of your music to your smart lights.* Choose the way you'd like to sync your lights to your movie, music (including with our Spotify integration!), TV show, or game and watch as the color-capable lights in your Entertainment area react. *Hue Bridge required

Control lights with one click

A single click controls your smart lights —no smartphone needed. Use one press to turn your lights on and off or press and hold the button to dim and brighten them. Already set up to do exactly what you need, the Philips Hue Smart button is ready to use wherever you need it.

Flexible, wireless mounting

The wireless technology, the Philips Hue Smart button installs in seconds anywhere in your home. Replace an existing light switch with the included mounting plate or use the mini-mount to place it on any surface. If you'd rather keep it portable, no problem: the smart button is magnetic, so you can place it on any magnetic surface, such as the refrigerator.

Specifications

Bulb dimensions

- Dimensions (WxHxD): 60x110

Design and finishing

- Color: White

Durability

- Number of switch cycles: 50,000
- Nominal lifetime: 25,000

Environmental

- Operational humidity: 5% <H<95% (non condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Dimmable with Hue app and switch: Yes

Guarantee

- 2 years: Yes

Light characteristics

- Color rendering index (CRI): ≥80

Packaging information

- EAN: 8719514405097

Power consumption

- Standby power consumption: 0.5 W

Service

- Warranty: 2 year(s)

Technical specifications

- Lumen output at 4000K: 806 lm
- Diameter: 60 mm
- Weight: 72 g
- Bulb technology: LED
- Fitting/cap: E27
- Lumen output at 2700K: 806 lm

The bridge

- Diameter: 88 mm
- Frequency band: 2400–2483.5 MHz
- Height: 26 mm
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100–240 V AC / 50–60Hz
- Power consumption: 250mA max

The bulb

- Color temperature: 2000K–6500K +16 million colors
- Form factor: A60
- Height: 109 mm
- Input voltage: 220V–240V
- Light output: White and color light
- Lumen output: 806 lm @ 2700K, 1055 lm @ 4000K
- Max. operation power: 9 W
- Power factor: 0.5
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 11 W
- Wattage equivalent: 75 W
- Communication protocol: Bluetooth, Zigbee

The switch

- IP rating: IP 20
- Mounting options: freestanding

What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 3
- Power adapter: 1
