## Features

### DualPrecision blades

DualPrecision blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

### Pivot, Flex and Float

The heads flex to stay in close contact with your skin, and pivot to add an extra dimension of movement, all of which gives you a close, fast and comfortable shave.

### 50+ shaving minutes

An energy-efficient, powerful and long-lasting lithium-ion battery gives you more shaves per charge. Charge it for an hour, and you'll have 50+ minutes of shaving time - that's around 17 shaves. Charge it for 3 minutes and you'll have enough power for 1 shave.

### Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

### Pop-up trimmer

Complete your look by using the pop-up trimmer. Perfect for maintaining a moustache and trimming sideburns.

### Efficient power System

Can be used corded and cordless

### Fully washable shaver

Simply pop the heads open and rinse thoroughly under the tap.

### LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge
