

ThinkCentre M90a

This premium 23.8"" all-in-one includes advanced features like vPro manageability, modern standby, Dolby Atmos audio and voice assistant support. At the press of a button, the optional PrivacyGuard screen renders the display unreadable unless you are sat directly in front of it. With the optional IR camera, the device will automatically blur the screen if the user is not looking at it and can also alert them to 'shoulder surfers', improving information protection.

REASONS TO BUY

Hides connected cables inside a rear panel, with wires discreetly routed from the bottom of the stand. A smartphone holder is built into the base, which can be charged from side-mounted USB ports. Configure for the needs of different users with HDD and M.2 SSD storage, optional graphics card and optical drive.

Security features include individual USB port disablement, and a self-healing BIOS which can restore itself in the event of a BIOS update failure or if maliciously attacked.

Optimized to reduce power consumption with Energy Star 8.0 and EPEAT Silver energy efficiency certifications.

ThinkCentre M Series All-in-One devices offer powerful configurations, space-saving design and enterprise security and manageability features.

ThinkCentre M90a

Recommended for this device

Lenovo Adjustable Height Arm

Reduce neck & back pain by positioning a VESAcompatible monitor, ThinkCentre M AlO or Lenovo V Series AlO, to the most comfortable height and angle

Extends display out to a range of 64cm (25"), with height adjustment up to 33cm (13")

Can be fitted to desk via a clamp without drilling holes

ThinkPad Bluetooth Silent Mouse

Left/Right hand, easy-to-carry low profile mouse

Switch between 2 devices with dual-host Bluetooth 5.0 connectivity

2-way scrolling with on-the-fly DPI adjustment (2400, 1600, 800)
