

## ANTI-BLUE PRIVACY FILTERS

# Reduce Glare and Harmful Blue Light

Origin's Anti-Blue Privacy Filters have an innovative anti-glare coating that reduces reflection and improves clarity. The filter eliminates blue light by up to 80%, easing eye strain and reducing the chances of interrupting sleep patterns.

Keep sensitive information away from prying eyes and prevent visual hackers with innovative privacy technology. The advanced microlouver technology blocks unwanted side views and shoulder surfers, meaning you can work safely and securely wherever you go.

- Prevents eye strain, and resulting headaches, fatigue and dry eyes
- Blue light makes your body forget when it's bedtime. Our anti-blue filter protects your sleep
- Advanced microlouver technology blocks unwanted side views
- Crisp, clean image clarity when directly in front of the screen
- Available for most devices, brands and screen sizes
