ThinkPad E14 Gen 2 (AMD)

Although entry-level, this 14" business laptop surprises with a selection of premium features that boost productivity, ease collaboration and ensure data security. Take Smart Power On – a power button option that enables users to power on or wake the device and log in simultaneously. Or Glance by Mirametrix; using face, eye and gaze tracking this blanks or locks the device automatically when a user steps away from it – for better security and a seamless user experience.

Business professionals can stay productive from anywhere now. The lightweight device comes with powerful AMD Ryzen™ 4000 Series Mobile processors, ultra-responsive SSD storage, optional WiFi 6 technology that can enable faster internet speeds, and up to 13 hours of battery life.

The optional 14" FHD anti-glare display comes with an ultra-narrow border to maximize screen space and (IPS) wide-viewing angle, allowing users to view spreadsheets, budget plans and graphic-rich designs in fine detail.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

Built for business with cutting-edge technology

The entry-level ThinkPad, E Series features the famous keyboard and trackpoint, and is MIL-SPEC tested ensuring the build quality for which ThinkPad is renowned.
