

Product Line
CISRACK

Type
RM-CI-T4-MC

Supported Models **MERAKI MX64
MERAKI MX64W
MERAKI MX67
MX67W/MX67C**

DIMENSIONS	1U
COLOR	Metallic Blue
PACKING DIMENSIONS	80 x 520 x 270 mm 3.14 x 20.47 x 10.63 in
PRODUCT DIMENSIONS	44 x 482 x 217 mm (height x width x depth) 1.73 x 18.98 x 8.54 in

MOUNTING INSTRUCTIONS

1. Remove the screw from the right bottom of the media converter and use it to fix the media converter on the rack.
2. Remove the four rubber feet from your Cisco appliance.
3. Remove the two bolts (situated on the front side of the appliance) from the bottom of the Cisco appliance.
4. Place your Cisco appliance backwards through the FRONT opening of the rack.
5. Turn over the rack with the Cisco appliance and use the original bolts to fix the appliance on the rack and turn it back over.
6. Plug in the power cord of the media converter, lead the USB through the front opening, plug it in the appliance and tie the excess length of the power cable down with a zip tie.
7. Place the power supply on the add-on, tie it down with the two zip ties and slide it into the rack. Fix with a bolt and nut.
8. Lead the low voltage power cable through the large square hole towards the front of the rack and connect it to the power inlet. Use a zip tie to secure the power cable on the rack and tie the excess length of the cable down with a zip tie.
9. Place the light pipe through the opening of the rack. See picture above.
10. Place your CisRack in your 19 inch rack.

Please ensure proper ventilation according to the network appliance manufacturer guidelines.
