

MPN: VLUSBCHUB

USB-C HUB for conference system

Vivolink 4K USB-C HUB – Your all-in-one solution for video conferencing systems. Connect all your equipment, just like you would with a docking station for your computer. It is designed as a HUB that connects all USB devices in the room and send picture out via HDMI port.

The 1.5m USB-C cable enables mounting under meeting table and with a Vivolink desk grommet VLDG60.

One USB-C cable on the desk that connects to all devices and charge the laptop.

Support following formats: DP Alt mode and DisplayPort
