

ideapad 5 PRO (14")

EXPAND YOUR HORIZONS.

The Lenovo™ **IdeaPad™ 5 Pro** (14", AMD) is optimized for streaming and entertainment, offering amazing visuals on its up-to-2.8K display. Powerful AMD Ryzen™ 5000 Series Mobile Processors deliver high performance, while Dolby Atmos® creates a deeply immersive experience featuring moving 3D audio. Plus, the bouncier feel of soft-landing switches via the improved keyboard precisely engineered for tactile control and keying accuracy with optional backlighting.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 5 PRO (14")

See more of everything

At 400 nits, this laptop's 2.8K display is bright enough for outside viewing, even in direct sunlight. Its narrow bezels yield more than 90% active screen ratio, so you can focus on the vivid output of its 100% sRGB high color gamut.

Performance, unrestrained

The **IdeaPad 5 Pro** (14", AMD) excels at doing your best for work and play. Its up to AMD Ryzen™ 7 5000 Series Mobile Processor, up to 16GB DDR4 memory, and up to NVIDIA® GeForce® MX450 discrete graphics deliver accelerated performance.

Smart login

Get started faster by simply flipping open the lid of your **IdeaPad 5 Pro**. Then, thanks to its infrared camera with facial recognition, enjoy instant, smart login.

Minutes to charge. Hours of stream.

Go cordless for longer, with the long-lasting of battery life. When you do need a boost, get it quickly—15 minutes' charging time gives you another two hours of battery life.

CREATE. PLAY. WORK. EDUCATE. ENTERTAIN.

The possibilities are infinite. Be anywhere, go anywhere. AMD Ryzen™ 5000 Series Mobile Processors offer supreme performance, astonishing battery life, and modern features you need on-the-go. Experience the responsiveness of the most advanced notebook processor technology in the world* with up to 8 ultra-fast cores.

* As of December 2020, the Ryzen™ 5000 series mobile processors are the "Most advanced/powerful mobile processors," defined as the highest-performing single-thread and multi-thread performance available on x86 mobile processors enabled by superior 7nm manufacturing technology on a small node. CZM-26.

¹ Embargo on CPU: January 12, 2021 at 12 pm EST.

² All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

³ On 90 Hz SKU only.

⁴ Not all configurations will allow for these I/O ports.

⁵ Full-function depends on test result.

⁶ The actual transfer speed of the USB 3.2 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁷ Available on certain models only.

LENOVO SERVICES

Warranty Upgrades - On-site/ In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as

minor spills, drops or damage to the integrated screen.

Warranty Extensions

(1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
