100W Rapid Power 4 Port USB-C GaN Charger

Charge any USB device – USB-C Power Delivery 100W

Traditional chargers are specifically suited to the device they came with. This charger is different. Using the latest USB-C Power Delivery technology it can charge most late model laptops, tablets and phones. Using USB Power Delivery technology the charger automatically selects the most appropriate power output to suit each device and charge them safely. This charger can provide up to 100W of power to high powered devices – the maximum amount supported by the USB Power Delivery standard. The charger is also equipped with USB-A ports to allow charging mobile devices with legacy USB-A charging cables.

The latest GaN technology

The ALOGIC Rapid Power USB-C Charger incorporates GaN “Gallium Nitride”, a next-generation semiconductor that replaces silicon & enables very high energy & power in a very small compact & portable size. The 100W GaN charger lets you charge any 2 USB-C & USB-A equipped devices such as laptop, tablets & phones etc simultaneously at the highest possible speed.

Compact & Portable – Easy to use and carry

Using the latest GaN charging technology, we’ve been able to make our chargers 50% smaller than traditional chargers and eliminated the need for a bulky cable to connect the charger to the power outlet. The result is a take-anywhere charger that can be thrown in a laptop bag for on the road use without taking up valuable space and weighing you down.

Charge Multiple Devices at the Same Time

Ditch the collection of chargers you use for your different devices and charge them all using a single, convenient charger

Certified Safe – Meets and Exceeds All Safety Standards

The charger is certified to meet and exceed all international regulatory standards and features multiple safety functions such as over current protection, over voltage protection, short circuit protection & over temperature protection.

User Interface

Input	100-240VAC 50~60Hz 1.6A Max
Output	100W Max
	Single output:
	USB-C Port - (5V/9V/15V 3A, 20V 5A) 100W Max
	Four Output:
	USB-C #1 (5V/9V/12V/15V 3A, 20V/3.25A) 65W Max
	USB-C #2 (5V/3A, 9V/2A) 18W Max
	USB-A #1 + #2 (5V/3.4A) 17W Max

Physical Characteristics

Product Dimensions	80(H) x 80(D) x 29.5(W) mm
Weight	254gms

Package Includes

- 1x 100W Rapid Power GaN Charger
- 1x 2m USB-C to USB-C 100W Charging Cable
- 1x User Manual

Warranty

2 Year
