

SpacePole Back-to-back Screen Mount, VESA 75/100 - High tension - 32

SPV1103-H-FX-32

This back-to-back mount is used when the solution requires dual screens, maximizing display space without compromising counter space. This type of mounting solution is particularly useful in POS environments where efficient use of space is critical. By mounting two screens back-to-back, it optimizes viewing angles for both the operator and the customer, enhancing the user experience and potentially freeing up valuable counter space.

Enables dual-screen mounting with VESA 75 and VESA 100 compatibility
Provides strong resistance, with a tension range of 7.5 to 10 kg, suitable for high-intensity applications or advanced strength training
Enhances workstation productivity by enabling optimal screen placement within the operator's eyeline
5-year warranty

Product Specifications

Colour Name	White
Colour Type	Structured
Main material	Metal
Screen setup	Back-to-back
Product Version	1.0
Angle of rotation	310
Height adjustable?	No
Screen size supported	11", 12", 13", 15", 17", 19", 21", 22", 24", 27"
Max weight capacity (kg)	12
Screws included	Yes
Tilt angle range	+10 to -70°
Units per Box	1
Pole diameter type	SP2 inner = 44.5mm
Unit Weight	2.11 kg
Box Weight	2.53 kg
Warranty	5 Years

Product Dimensions

Unit Depth	242.8 mm
Unit Height	402.8 mm
Unit Weight	2.11 kg

Package Dimensions

Box Depth	399 mm
Box Height	134 mm
Box Width	299 mm
