

SpacePole Screen Mount with 300mm Elbow Arm - 32

SPV1106-FX-32

When extra reach is required, the elbow arm allows even greater accessibility for the customer or second operator. This allows the customer to view the screen for order confirmation and provides convenient screen positioning for shared use.

Compatible with VESA 75 and VESA 100 mounting hole patterns
Enhances workstation productivity by enabling optimal screen placement within the operator's eyeline
Features a 300mm elbow arm for extended reach, providing easier screen visibility for the customer
5-year warranty

Product Specifications

Colour Name	White
