

Ortronics
Infinium Unloaded Modular HDFM Panel (Fiber Only) 48 Port Unloaded Panel with Labeling, 1U
Part No. PHDFMU48

The Infinium HDJ Series 48-Port Unloaded Flat Panel with Label Kit supports rear loading of HDJ fiber adapters and HDCA fiber cassettes. This high density panel includes a rear cable management bar with straps to support a clean and organized look. The panel is made of black powder-coated steel and is designed for optimum performance, saving valuable rack space by occupying only 1RU. The included label kit was created specifically for fiber applications and allows for easy and intuitive port identification.

Features & Benefits

High Density Design: Maximizes use of rack/cabinet real estate. Rear Loading: Preferred mounting for panels, with quick and easy installation.
Labeling Kit: Provides easy and intuitive port identification. Rear management bar and straps included: Supports good cabling practices.
