Kasa Smart Light Bulb

Multicolor

KL125

Multicolor | No Hub Required | Set Scenes | Voice Control

Highlights

Multicolor

Kasa Smart's Multicolour light bulb offers endless lighting possibilities with a wide range of colours and dimming capabilities to create the perfect ambiance from anywhere. Schedule your lights to change to your favourite teams' colours on game night or dim them to subtle reds and purples for a romantic dinner. Control your lights from anywhere using the Kasa Smart app or with simple voice commands via Google Assistant, Alexa or SmartThings.
