

BUSINESS DEVICES THAT ARE A CLASS APART

The ultimate device for any mobile worker or executive, ThinkPad X1 Series combines the latest productivity and security technologies with sleek and lightweight designs.

ThinkPad X1 Carbon Gen 7

Smarter
technology
for all

Lenovo

Built from advanced lightweight materials, our flagship ultraportable now weighs just 1.09kg (2.4lbs). It's packed with the latest security and privacy technologies, and MIL-SPEC tested to assure reliability on the road. Offering one of the best audio-visual experiences of any laptop, buyers can select from the latest display technologies, while 4 Bang & Olufsen speakers - including 2 directly facing the user - enable Dolby Atmos® audio.

REASONS TO BUY

Choose the 4K Dolby Vision® HDR display for exceptional contrast, brightness and colour depth, or the optional Privacy Guard screen; at the touch of a button, this renders the display unreadable for anyone peering from behind or adjacent to the user.

With up to 18 hours of battery life on a single charge, users can power through the busiest of workdays without a pause, and re-charge to 80% battery capacity in about an hour.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

ThinkPad X1 Carbon Gen 7

KEY SPECIFICATIONS

Processor	up to 10th Gen Intel Core i7 processor
Operating System	Powered by Windows 10 Pro
Display	14.0"'' Dolby Vision HDR screen, 4K (3840x2160), IPS, 1400:1 contrast ratio, 90% gamut 14.0"'' screen, WQHD (2560x1440), IPS, 700:1 contrast ratio, 72% gamut 14.0"'' ThinkPad Privacy Guard screen, Full HD (1920x1080), IPS, 1000:1 contrast ratio, 72% gamut 14.0"'' Low Power screen, Full HD (1920x1080), IPS, 800:1 contrast ratio, 72% gamut 14.0"'' screen, Full HD (1920x1080), IPS, 700:1 contrast ratio, 72% gamut (touch)
