HP OfficeJet Pro 9010e All-in-One Printer

Full-featured, all-around productivity

Get fast print speeds up to 22 ppm[3], automatic two-sided printing, reliable Wi-Fi® connectivity,[2] and a 250-sheet paper tray.

This printer is intended to work only with cartridges that have new or reused HP electronic circuitry, and it uses dynamic security measures to block cartridges using modified or non-HP circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP electronic circuitry enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds
