

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

The ThinkCentre M9 Series offers more expansion and performance capabilities than any other desktop in our portfolio; perfect for users who need higher computing performance than average.

ThinkCentre M90s

Smarter
technology
for all

Lenovo

This compact desktop supports a variety of needs - from basic to power users; connect up to 3 displays at 4K resolution, and configure with 2x M.2 SSD drives and 2x SATA HDDs. Optional graphics, 128GB memory capacity and 3x PCIe expansion slots provide scope for future upgrades. New on this model are additional security features, modern standby and an intelligent cooling system that reduces fan noise and boosts performance.

REASONS TO BUY

Security features include a self-healing BIOS which can restore itself in the event of a BIOS update failure or if maliciously attacked. The BIOS-controlled optional Chassis eLock prevents unauthorized removal of components, by locking from the inside. A wide range of I/O ports include USB-C, USB3.1, a serial port and optional parallel port.

With Modern Standby this desktop will keep emails and applications up to date with the latest data even when asleep, wake more quickly and consume less energy.

Optimized to reduce power consumption with Energy Star 8.0 and EPEAT Silver energy efficiency certifications.

SECURITY & PRIVACY

Chassis Intrusion Switch
E-Lock
Kensington lock slot
Padlock slot
Optional Smart Cable Clip
Smart USB Protection
Individual USB port disablement
Hardware TPM 2.0

MANAGEABILITY

Intel vPro
Non-vPro

Recommended for this device

ThinkPad X1 Active Noise Cancellation Headphones

Ambient & electronic noise cancellation, integrated boom-less mic for calls

Bluetooth 5.0 connectivity with USB-C charging in under 3 hours

Lightweight 214g (0.47lbs) design with memory foam ear cups

Lenovo Kensington MicroSaver Cable Lock

Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure

Tamper-resistant, disk-style lock provides near-impenetrable theft protection, but still allows users to pivot and rotate devices

Fits a wide range of devices and docking solutions based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable

Keep Your Drive

Keep your drive(s) before returning a faulty device

Dispose of business data on your terms

Removes the need to track movement of sensitive data
