HP Nano Combination Cable Lock

Locked and Secured Anywhere

Keep your laptop locked in and secured with the HP Combination Nano Cable Lock, designed for any HP notebook with a nano lock slot[1]. Loop and lock with a unique pre-set combination for keyless, worry-free security almost anywhere.
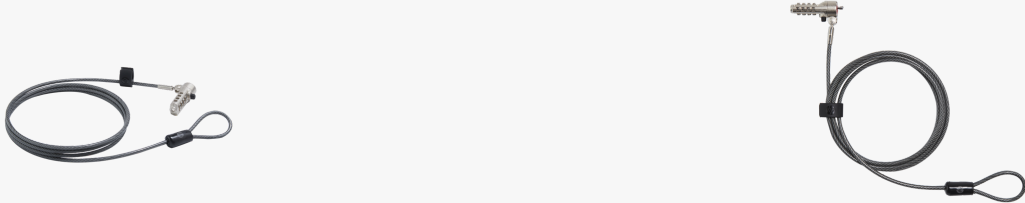

*Product image may differ from actual product

Effortless Security

Route the 6 ft. (1.83 m) vinyl-coated, galvanized steel cable around any secure object, attach to your notebook, and lock with the keyless, push-button mechanism and your preset four-digit combination.

All Around Good Design

The cable head swivels 360 degrees to help you position the cable as needed before you lock, and the ultra thin design fits right at home with your laptop. With the included clip, you can easily manage all your cords and cables.

Secure Your Peace of Mind

Get the reassurance of a one-year limited warranty.
