

HP 965 4K Streaming Webcam

A Brilliant Webcam that Works for You

Feel like you're in the room with everyone when you turn on the AI-enhanced¹ HP 965 4K Streaming Webcam and turn on a crystal clear, HDR conferencing experience. This webcam automatically adapts to your environment and movements with HP Presence² so you can focus on what matters.

AI Controls the Webcam. You Control the Call.

Enhanced by HP Presence², this webcam provides an excellent conferencing experience in up to 4K resolution³. It achieves elevated image quality with the cutting edge-sensor and AI features like lighting adjustment and auto framing, all while ensuring you are heard and background noise is not with audio noise reduction and dual microphones.

Always Look True-to-Life

Look true-to-life whenever or wherever with this professional-grade webcam. Color correction and HDR automatically adjust to keep you and your ideas vibrant, day or night. The cutting-edge image sensor and 18 mm F2.0 large lens takes everything in for a superb image, even in low light.

Stays Focused

With AI¹ built-in, you can concentrate on your presentation, not your webcam. Before the call, change your background to keep the focus on you and not what's behind you. During the call, smart auto framing allows you to customize the area of focus, while any documents stay distortion-free with keystone correction.

Get into Position

Customize your image exactly the way you want it. Mount it almost anywhere with the stand or a tripod⁴ and still find the perfect angle with 360° swivel and 90° tilt. Adjust your field-of-view to capture your visual aids or bring it in for a tighter focus¹.

HP 965 4K Streaming Webcam

Auto Focus

While you focus on your call, this webcam automatically adjusts the focus on you. Feel confident knowing your image is crystal clear throughout your calls.

Only Share When you Want To

When you're done streaming or conferencing, simply attach the magnetic privacy cover for worry-free privacy.

Digital Zoom

Need to get a closer look? Use digital zoom to zoom in and out, so you can show what you want--all available on HP Accessory Center¹.

Conference Seamlessly

Certified for Zoom and compatible with other popular conferencing applications, you can be sure our hardware works seamlessly with Zoom and most other conferencing platforms to deliver an stunning conferencing experience every time.
