# Highlights

## 2.1 channels

The crackle of laser fire. The roar of a crowd. 2.1 channels bring new levels of sound to your favourite movies and shows. The compact wireless subwoofer delivers satisfying bass. Explosions will rumble. Music sounds fuller.

## HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote that you use for your TV.

## Connect your favourite sources

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in or optical input. Whatever you love, it will sound louder and clearer through this soundbar.

## Distinctive geometric design

This soundbar boasts a unique slanted design and a low profile. When it comes to placement, the included wall brackets keep your options open. The compact design of the powerful subwoofer makes it easy to conceal.
