

EVO

Family Line

Speed

256GB

Capacity

Water-resistant

HIDE ALL SPECS

General Feature

Product Type microSDXC Memory Card	Family Line EVO
Application Mobile phone, Smartphone, Tablet, etc	Capacity 256GB
Interface UHS-I, compatible to HS interface	Dimension (WxHxD) 0.59" x 0.43" x 0.04"
Weight Approx. 0.25g	Accessory SD adapter

Performance

Speed Up to 100MB/s transfer speed with UHS-I interface* The foregoing read & write speeds are demonstrated by internal test conducted under certain controlled conditions, and actual speeds may vary depending upon usage and other conditions. For products incompatible with UHS-I interface, the speeds may vary subject to different interface conditions* Write speed is slower than transfer speed	Speed Class Grade 3, Class 10
---	---

Type

Product Type microSDXC Memory Card	Interface UHS-I, compatible to HS interface
Class Grade 3, Class 10	Usage Application Mobile phone, Smartphone, Tablet, etc

Design

EVO

Storage

Capacity

256GB (1GB=1Billion byte)* Actual storage capacity may be lower than the labeled capacity. Part of the storage may be used for system files and other storage control purposes.

Key Features

Memory Speed

Up to 100MB/s transfer speed with UHS-I interface* The foregoing read & write speeds are demonstrated by internal test conducted under certain controlled conditions, and actual speeds may vary depending upon usage and other conditions. For products incompatible with UHS-I interface, the speeds may vary subject to different interface conditions* Write speed is slower than transfer speed

Environmental Specs

Operating Voltage

2.7~3.6V

Storage Temperature

-40°C to 85°C

Operating Temperature

-25°C to 85°C

Durability

10,000 mating cycles
