1. Data comes from HONOR labs. The thickness (7.45mm) is measured at the thinnest point and does not include the camera bump. Actual dimensions may vary based on the configuration, manufacturing process, and measurement method.

2. The three colors are not sold in all regions, please refer to the actual products sold locally.

3. Data from HONOR labs, total weight include battery. Actual weight may vary due to product configurations, manufacturing processes, and measuring methods.

4. Single SIM version will be sold South Africa and Latin America (Nano-SIM), please refer to the actual products sold locally.

5. With a rounded corner design, the diagonal length of the screen is 6.7 inches when measured according to the standard rectangle (the actual viewable area is slightly smaller).

6. Data from HONOR labs.

7. This product has no therapeutic function.

8. On different application interfaces and gaming screens, the screen refresh rate and touch sampling rate may be slightly different.

9. The resolution measured as a standard rectangle; thus, the effective pixels are slightly less.

10. The available internal storage may be smaller as part of the internal storage is occupied by software.

11. The rear main camera is a 64MP camera. Actual image resolution may vary depending on the shooting mode.

12. The rated capacity is 3900mAh. (non-removable battery)

13. Supports a maximum of 22.5W wired charging using the 22.5W HONOR charger and cable. Actual charging speed may vary depending on environmental conditions and other factors.
