

# ideapad 5G | ideapad 4G LTE

## CONNECT YOUR WORLD.

STAY CONNECTED, STAY FREE.

The first mainstream 5G laptop in the industry, the Lenovo™ **IdeaPad™ 5G** is meant to go places. This 14" laptop features 5G or LTE connectivity\*, a thin & light design, and all-day battery life. Use it wherever there's a cellular signal, leave your charger behind, and enjoy its FHD display and user-facing speakers.

### WHY YOU SHOULD BUY THE LENOVO IDEAPAD 5G | IDEAPAD 4G LTE

#### 5G/4G LTE - Free yourself from WiFi

The **IdeaPad 5G | 4G LTE** gives you the freedom to relax or roam untethered. Connect wherever you have a cellular signal—via LTE or optional 5G\*. Work from wherever you are—safely, speedily, and reliably—without having to search for a WiFi network. Stay connected, almost anywhere.

#### True portability

At less than 2.6 lbs and thinner than 0.6", the **IdeaPad 5G | 4G LTE** is easy to bring along with you anywhere. You can also leave its power cord behind, because its all-day battery life lasts longer between charges.

#### A treat for the eyes

The **IdeaPad 5G | 4G LTE** is a sleek laptop, stylishly presented in Light Silver. Its 14" display in FHD (1920 x 1080) resolution, features narrow bezels that won't distract you. It also covers 100% of the sRGB color space, for vivid visual quality whether you're watching a movie, looking at images, playing a game, or just surfing the web.

#### User-friendly features

This laptop includes an instant-on feature, so you never have to wait. Its two 2W Dolby Audio™ speakers are user-facing, for a superior sound. And its 720p infrared (IR) camera with dual-array microphones mean crystal-clear video conferences and chats.

### PC PERFORMANCE WITH SMARTPHONE CAPABILITIES.

Qualcomm® Snapdragon™ 8c and 8cx 5G Compute Platforms bring the Always On, Always Connected experience you expect from your smartphone to ultra-thin Windows 10 notebooks with 30% faster system performance for cellular connectivity, and multi-day battery life\*.

\* 5G or 4G LTE product configurations are available.

1 x Audio Jack  
1 x SIM Card Holder

### PRELOADED SOFTWARE

- Windows 10 Pro
- Windows 10 Home
- Microsoft Office
- Lenovo Vantage
- Norton™ Security

<sup>1</sup> All battery life claims are approximate and based on two methods of testing: MobileMark® 2014 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

<sup>2</sup> The actual transfer speed of the USB 3.2 Gen 2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 10 Gbit/s.

<sup>3</sup> The actual transfer speed of the USB 3.2 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

## LENOVO SERVICES

#### Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

#### Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

#### Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

## OPTIONS & ACCESSORIES

Lenovo 530  
Wireless Mouse

Lenovo USB-C  
3-in-1 Hub
