

# SAMSUNG

## Break the rules of working without boundaries

### Break the rules of power and speed

A large, brilliant screen with premium sound delivers realistic video conferences, while the Snapdragon 8 Gen 1 chipset combines with 5G<sup>1</sup> and Wi-Fi 6E<sup>2</sup> to deliver blazing, lag-free speed.

### Break the rules of productivity

Think it, then do it. The near zero-lag S Pen enables you to quickly capture every moment of inspiration, while DeX lets you work on your tablet like you would on a PC.

### Break the rules of what's possible

Galaxy S8+ 5G makes work easier by supporting you throughout the entire Galaxy ecosystem. Work seamlessly from one device to another. And do it all with defense-grade security.

## The power to work like never before

### Break the rules of power and speed

#### Screen with room for more productivity

- Galaxy S8+ 5G features an impressive 12.4" super AMOLED screen
- Easier multitasking, with ample room to view multiple windows at once
- Ultrasmooth clarity with a 120Hz refresh rate

#### An ultra-wide camera that's focused on business

- Ultra-wide camera ensures every video presentation and photo will be in frame
- Auto framing lets you present while moving around the room and still be the center of attention
- 4K resolution ensures crystal-clear video conferences and photos
- Partnership with Google Duo brings you higher quality video calls, and lets you add camera filters and background blur

#### Don't just hear it, experience it

- Experience every presentation and hear every comment in rich clarity
- Three mics with noise cancellation reproduce clear sound, even with distracting background noise

#### With great power comes great productivity

- Power through your day on our fastest and most powerful tablet yet
- Qualcomm Snapdragon 8 Gen 1 chipset lets you work at the speed of thought

#### Fast work with fast 5G

- 5G connectivity means more bandwidth, better video and less interruption.<sup>1</sup>
- Create your own secure 5G hotspot and virtually never be without an internet connection.<sup>1</sup>

#### Fastest Wi-Fi in existence

- Wi-Fi 6E<sup>2</sup> is 3x faster than the previous generation of Wi-Fi
- Connect, share and stream without restraint
- Collaborate better, whether remote or in the office

# Galaxy Tab S8+ 5G

## Redefine productivity for you and your team

### Break the rules of productivity

#### Closer to a real pen than ever before

- Ultrafast S Pen with near-zero latency delivers a smooth pen-on-paper feeling
- Write, draw, annotate, communicate faster than ever

#### Your notes, in perfect sync with your business

- Write, draw and capture every idea in Samsung Notes
- Automatically convert handwriting to text as you write
- Automatically sync notes with your Galaxy smartphone
- Share your note as a PDF, PowerPoint or Word doc
- Compatible with Microsoft OneNote, for more ways of working

#### Master multitasking with a PC experience

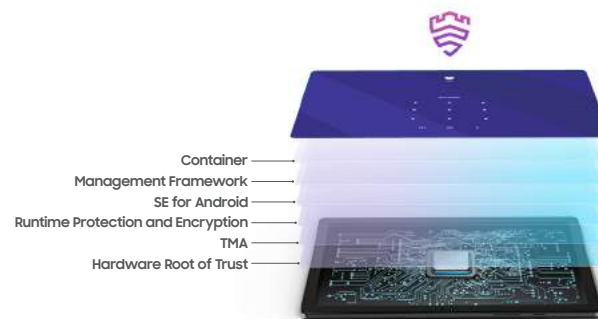

- Samsung DeX mode creates a PC desktop experience on the Galaxy S8+ 5G tablet
- Open multiple windows, move them around, drag and drop images and text
- Microsoft 365 integration lets you create and edit documents on your tablet.<sup>3</sup>
- Unlock 2-in-1 productivity by snapping a Book Cover keyboard onto your Galaxy S8+ 5G tablet<sup>4</sup>

#### Power hours of productivity

- Work, stream and video call for hours on a single charge<sup>5</sup>
- Fast Charging has you back up and running quickly
- Work clutter-free, with a universal charger that powers all your Galaxy devices

#### Storage that expands with your business

- Load your tablet with the files you need to be productive anywhere
- Galaxy S8+ 5G features 128GB of memory, and can expand up to an additional 1TB with a microSD card<sup>6</sup>

### Break the rules of what's possible

#### Unite your Galaxy

- Galaxy ecosystem makes work easy across your phone, tablet and laptop
- Connect Galaxy Buds Pro and smoothly switch from video conferences to connecting with colleagues
- Connect your Galaxy Tab S8+ 5G with your Galaxy Book Book to extend your work to a second screen
- Quick Share allows you to transfer large files instantly

#### Securing your business is our business

- Knox helps protect business data with multilayered security
- Secure Folder keeps your personal apps and data separate from work
- Private Share lets you set time limits or expiration dates on shared files<sup>7</sup>
- Ensure docs are only shared with their intended recipients

#### Total care, total reassurance, total control

- Samsung Care+ for Business offers an extended warranty,<sup>8</sup> coverage for accidental damages, and hassle-free device repairs
- Real-time support from dedicated technical specialists and engineers can assist you with everything from device deployment to expedited exchanges
