

THE POWER OF A BUSINESS PC IN A TABLET

Affordable and flexible, the IdeaPad D Series can be used as a tablet or notebook by frequent travellers who have basic computing needs.

Lenovo Ideapad D330

Smarter
technology
for all

Lenovo

Ideal for users who travel frequently for work, this 10.1" Windows tablet has up to 13 hours of battery life, so users can power through the busiest of workdays. Optional 4G LTE connectivity provides access to cloud data and apps, even when outside of WiFi range. The digital pen is useful for writing notes or sketching on the go, while the optional keyboard can be attached to create a basic notebook.

REASONS TO BUY

Equipped with a USB-C port for high-speed transfers of large files, connection to peripherals including monitors, and fast charging of smartphones and other devices.

Dolby Audio™ Premium stereo speakers and up to FHD display enhance audio and visual clarity for web conferencing, and help make 1:1 or small-group presentations more impactful.

Front-facing 2MP camera and stereo speakers with Dolby Audio™ Premium for hands-free audio and video conferencing.
