

ideacentre CREATOR 5i (14L)

CREATE AMAZING.

A powerful and modern desktop built for creator has finally come in the form of the Lenovo™ IdeaCentre™ Creator 5i. Unlike other general desktops, IdeaCentre Creator features the latest Intel® Core™ processors and NVIDIA® GeForce RTX™ graphics to ensure smooth performance for even the most intense of workflows. The thermal design is specifically designed for better cooling efficiency and minimal system noise, so you can focus on your creativity with less distraction. Finally let your creativity run wild with a free 3-month trial of either Adobe Photoshop, Lightroom, Creative Cloud Premier Rush or Illustrator Creative Cloud.

WHY YOU SHOULD BUY LENOVO IDEACENTRE CREATOR 5i (14L)

Maximize your imagination

IdeaCentre Creator 5i is a powerful desktop that is perfectly designed for content creation. At its heart are up to the latest 10th generation Intel® Core™ processors and latest NVIDIA® discrete graphics. With the superfast and smooth performance, none of hassle will stop your creativity.

Always stay cool and quiet

By carefully trimming the space of IdeaCentre Creator 5i, the thermal design provides better cooling efficiency and minimal noise. Unlike general desktops which is noisy while running heavy loading applications, IdeaCentre Creator 5i stays cool and quiet in the operation so you could focus on creation with less distraction.

Lenovo™

Ready for anything

IdeaCentre Creator 5i features a plethora of ports as standard, plus an HDMI™-Out—enabling you to hook up another 4K screen for best viewing experience! With up to 2 TB HDD and 512 GB SSD disk space, you can store more than enough media file and find that everything's faster, from booting up to running apps and transferring files.

Tailored made, just for you

Lenovo Vantage is developed with new UI design including all designer's favorite applications in IdeaCentre Creator 5i. The desktop is ISV-certified, which means it is compatible with professional software to ensure the applications run smoothly for content creation.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

* Specification and configuration may vary by different platform and model.
