Useful Tips:

Apply Color Matching: This option uses the default parameters (sRGB profile) to adjust the colors of the image.

Consejos útiles:

Aplicar coincidencia de colores: este opción se utiliza los parámetros predeterminados (perfil sRGB) para ajustar los colores de la imagen.

Useful Tips:

1. Select desired utility, for example: File Utility. 2. If you want to scan a batch of documents, check the box Continuous Scan.

Consejos útiles:

1. Seleccione la utilidad deseada, por ejemplo: Utilidad de archivo. 2. Si desea escanear un lote de documentos, marque la casilla Escaneo continuo.

If you want to scan a batch of documents, please check the box Continuous Scan. A dialog countdown will appear to place the next page.

Consejos útiles:

Si desea escanear un lote de documentos, marque la casilla Escaneo continuo. Aparecerá una cuenta regresiva de diálogo para colocar la siguiente página.

FAQ/Troubleshooting • FAQ/Solución de problemas

For more information, please visit • Para mas información, por favor visite https://plustek.com/a3fb/faq/

FAQ 1: The colors of the scanned images are strange.

Solutions:

Please select Document Type according to your scan material. If the selection is not matched , the scan results may not be satisfied. If the image is not improved, please apply the solutions of FAQ 3.

FAQ 1: Los colores de las imágenes escaneadas están extraños.

Soluciones:

Seleccione Tipo de documento de acuerdo con su material de escaneo. Si la selección no coincide, es posible que no se cumplan los resultados del análisis. Si la imagen no mejora, aplique las soluciones de la Pregunta frecuente 3.

FAQ 3: There are some stripes on the scanned image, or the crop image is not correct. Solutions:

Clean the scanner glass with cloth.

Change the resolution, click Apply button and perform a scan to calibrate the scanner.

FAQ 3: Hay algunas rayas en la imagen escaneada, o la imagen recortada no es correcta. Soluciones:

Limpie el vidrio del escáner con un paño.

Cambie la resolución, haga clic en el botón Aplicar y realice el escaneo para calibrar el escáner.

FAQ 2: The countdown for Continuous Scan is too short. **Solutions:**

Click Global Settings button, select Scan Continuously tab to adjust the interval time. You may set to 0 to manually start the next scan without the countdown timer.

FAQ 2: La cuenta atrás para el escaneo a continuación es demasiado corta. Solutions:

Haga clic en el botón Configuración global, seleccione la pestaña Escanear

continuamente para ajustar el tiempo de intervalo. Puede establecer en 0 para iniciar manualmente el siguiente escaneo sin el temporizador de cuenta regresiva.
