# HP Color LaserJet Pro 4202dw Printer

## Colourful productivity. Seamless set up.

Get a blazing fast colour printer and easy set up with LaserJet Pro.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds

## Highlights

- Fast print speed (33 ppm A4)
- HP Wolf Pro security
