HP Color LaserJet Pro MFP 4303fdw Printer

Colorful productivity. Seamless set up

Get blazing fast color printing, reliable hardware, and easy, secure remote management.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds
