UP200 USB Flash Drive

The Acer UP200 USB flash drive is the essential solution for storing and sharing digital content for work and school. It's available in capacities up to 512 GB and compatible with USB 2.0 equipped PC and Mac laptop and desktop computers. Optional with three colors for your fashion style.

Up to 30 MB/s read speed	ABS shell for drop resistance	Water-proof and dust-proof	Wide compatibility

>Product Features

The speed you can trust

Built with high quality master controller and high quality ICs, the Acer UP200 flash drive achieves up to 30 MB/s read. It is the reliable and portable storage solution for work, home and school.

* Tested by our labs. Speed varies according to your computer's capabilities and environment.

Choice of colors and capacities

With multiple capacities from 8 GB to 512 GB, UP200 can store various files at will. It's important to have the size you need. Available in white, black, and green.

Portable digital world

The UP200 USB 2.0 supports plug-and-play without any driver or power supply and reads easily with its speed. This is the perfect USB for sharing or storing your work, fun or studies.

Wide Compatibility

Acer UP200 is backward compatible with computers, tablets, mobile phone, sound equipment, smart TVs and car audios. In addition, it supports Windows and Mac operating systems.

* For Mac OS, the users will first need to choose the exFAT format.

>Acer Advantage

Established in 1987, the Acer brand empowers people with the technology to make their mark and the freedom to live their own desired lifestyle. Its products strive to make technology accessible for everyone.

Acer storage products are designed and manufactured under official license by BIWIN Storage Technology company, a leading maker of quality flash memory, DRAM memory and solid-state drives (SSD storage devices).
